

City of Covina Elected Officials and Management Employees Salaries and Benefits

The City of Covina recognizes its responsibility to provide comprehensive executive salary and benefits information to the public. While this information has always been available on request, we also recognize the convenience to both the public and others in providing a single, comprehensive online report. The information provided is based on the current budget year and will be reviewed and updated at least annually. Elected Officials are included as well as top management positions which include the City Manager and all of the city Department Directors. Finally we have also provided a link to a database from our Human Resources system that provides the salary ranges for all of the authorized positions at the City of Covina in the current budget.
